Tuition Enroll in Auto-pay to ensure that your tuition is paid in a timely manner. Update card information at desk as needed.

2 months tuition is due at time of registration unless you have enrolled in auto pay. One month tuition will remain in your account as security in lieu of having a credit card on file. This security will pay the last month of your school year classes.

Tuition is due monthly by the 1st of each month from beginning September. Tuition is the same each month whether it is a 3, 4 or 5 week month. Our planning is based on the average 4 week month. A late fee of \$10.00 will be assessed after the 10th of the month.

Returned Check Policy

There is a \$25.00 fee for all returned checks.

Delinquent payments

Any account that is delinquent for 2 months is just cause to remove the student from class. Please give us a 30-day **written** notice for all student withdrawals so your account does not continue to be charged.

SWITCHING CLASS DAY and **WITHDRAWING CHILD FROM CLASS** must be in writing.

30 day Withdrawal Policy

We need **written notification** if your child is discontinuing classes so our records are accurate and you do not receive a bill. You are financially responsible for those 30 days.
