## WELCOME

---

Thank you for choosing to become a part of the Classic Gymnastics family. Our year-round classes provide you with the best training and gym experience possible. We provide classes for age 15 months through adult.

Since we are located in Jacksonville, NC, the home of Camp Lejeune, we want to honor our military families with a discount on tuition and our annual Marine Corps Birthday Celebration event for the family.

It has always been important to me as owner to make observation of your child's rec classes available. We provide tables with benches and folding chairs right inside the gym for your viewing pleasure. We do have limited space but feel this addition is important. You also have the option of dropping your child off for class, running errands and returning for pick up at the end of class by coming into the gym. In an effort to reduce congestion we stagger class times during our busiest times.

A healthy gym is a busy gym and we are busy. That being said, we are never too busy to properly care for our customers. If you have questions we are here to listen. If we don't have an immediate answer for you, we will get one.

In closing, our mission is to provide a challenging experience for growth in power, balance, grace, agility, confidence, commitment and attention to detail. Classic is the gym "Where Fitness & Fun are Contagious!"

Sincerely,  
Classic Gymnastics
